MAIL STOP AMENDMENT

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed: (1) No later than three months from the application's filing date; (2) Before the mailing date of the first Office Action on the merits (whichever is later); or (3) Before the mailing date of the first Office Action after

filing a request for continued examination (RCE) under §1.114, and therefore, no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

Applicant encloses herewith copies of seven communications from the Japanese Patent Office in counterpart applications (JP 2003-005561, JP 2003-009942, JP 2003-012389, JP 2003-013305, JP 2003-066409, JP 2003-066403 and JP 2003-066410) citing such documents indicating the degree of relevance found by the Japanese Patent Office.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant submits the following explanations:

1. An English language abstract of WO 01/00706 submitted herewith constitutes a concise statement of relevance of WO 01/00706.
2. An English language abstract of WO 01/81662 submitted herewith constitutes a concise statement of relevance of WO 01/81662.
3. An English language abstract of WO 96/27036 submitted herewith constitutes a concise statement of relevance of WO 96/27036.
4. An English language abstract of WO 02/068497 submitted herewith constitutes a concise statement of relevance of WO 02/068497.
5. An English language abstract of JP-62-162014 submitted herewith constitutes a concise statement of relevance of JP-62-162014.

It is noted that JP-63-12737, cited in two of the seven communications of the counterpart Japanese patent applications, was previously cited in the Information Disclosure Statement of June 13, 2005, and thus is not being listed again on the Form PTO/SB/08 A&B submitted herewith.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
